Trishula Records is happy to present its fourth artist album "Cats @ Play" produced by Mubali aka Greg Farley from California, USA. After one year of intense studio work the album is ready to blaze the dancefloors.

Mubali has had many dancefloors hits already in the past year with releases on various compilations and in the California scene he is performing frequently live and as a dj.

The album presents 9 original and unreleased tracks. The album will represent a journey into aggressive psychedelic music that will range from 142 bpm to 150 bpm. Hard hitting drums and basslines with psychedelic synths and pads. It's definitely nighttime music, but a few tracks might just work nicely around 5 am or so.
