Sonic Seasoning is the new compilation from the Trishula Records nursery.

Compiled by label dj Chrysalid we are presented with 10 tracks from artists around the globe. Chrysalid is with the label from the beginning and has established herself in and outside France as a dj and producer.

These tracks have not been tested yet on the dancefloor because we want to give you totally fresh and new songs. Sonic Seasoning as a psychedelic surprise. Fat basslines accompanied by strong kicking drums and twisted synths, music for the nightly hours to freak you out.

Twisted and psychedelic music made with love by the artists and finished with a sauce of wickedness for your pleasure. Are we getting too crazy here? Well this is just as trippy and energetic as it gets. Trishula Records, nursing newborn psychedelic sounds!
